“

After searching for months to find a home teacher for our two small boys, we couldn't be more pleased with Purple Dove. Sarah was wonderful at understanding our needs and made the recruitment process easy and stress-free. The candidates she presented to us were highly qualified and fully understood the role and responsibilities before the first interview. I would not hesitate to reach out to Sarah and Purple Dove in the future for our staffing needs. Thank you so much for finding our Mary Poppins!

A few weeks ago, I added my cv to total jobs website. ...within two weeks I had been to two interviews and was offered a job that I can only describe as tailor-made to me. This is all thanks to Purple Dove.

They got in touch and after we spoke the first time I felt so much anxiety that I had over relocating from the Midlands to London melt away. I just wanted to let you know what an excellent job they doing and how well they keep in touch. [PURPLE DOVE] ...relieved me of a mountain of anxiety and stress over the move...

Thank you
